

'Safeguarding for Everyone'

Voluntary and Third Sector Conference

The Lincolnshire Safeguarding Children Partnership (LSCP) and Lincolnshire Safeguarding Adults Board (LSAB) recognise the unique role of Safeguarding Officers/Leads in the voluntary and third sector. This Conference aims to bring voluntary organisations and third sector safeguarding leads together to explore how we can achieve better partnership working to safeguard both children and adults across Lincolnshire.

How do we improve understanding across our communities that Safeguarding is everyone's responsibility?
