Shining Stars Awards – nomination deadline extended!

Do you know any councillors that have done extraordinary work? Does your Council have any young councillors (aged 18-30) that are dedicated to serving their community? How about a local council that's gone above and beyond to deliver for their community? Maybe your clerk has gone the extra mile to support the council and councillors?

If so, can we ask you to please send in a nomination?

This is an amazing opportunity to boost positivity and morale in what can only be described as previously challenging and concerning times.

We are still looking for more nominations for:

Clerk of the year

Councillor of the Year

Young councillor (aged 18-30)

Small council (up to 5000 electorate)

Large council (over 5000 electorate)
